

Devendra Potnis

Associate Professor
School of Information Sciences (iSchool)
University of Tennessee at Knoxville

Email: dpotnis@utk.edu
Mobile: 518-322-6673
Office: 865-974-8612

Education

- PhD in Information Science 2006 – 2010
College of Computing and Information, University at Albany, State University of New York
 - Specialization: Information in Government and Democratic Societies
Information and Communication Technologies in Developing Nations
 - Dissertation: Mobile Technologies and Socio-economic Opportunities for Disadvantaged Women: A Study of Information Behavior in a Developing Nation Context
 - Advisor: Theresa Pardo, Director, Center for Technology in Government
- Master of Public Administration 2004 – 2006
Rockefeller College of Public Affairs & Policy, University at Albany, State University of New York
 - Specialty: Information Technology Management in the Public Sector
- Master of Science in Computer Science 2002 – 2003
Center for Advanced Computer Studies, University of Louisiana at Lafayette
- Bachelor of Engineering in Computer Engineering 1997 – 2001
University of Mumbai, India

Technical Skills

- Programming Languages C, C++, Java, VB.Net, Python, HTML, XML, & SQL
- Software Packages QDA Miner (WordStat), SPSS, Stata, & Dreamweaver
- Teaching Software Blackboard Learn, Blackboard Collaborate, Centra, Zoom, & WebCT (around 8-years experience of online teaching)

Work & Project Experience

- Associate Professor, School of Information Sciences, University of Tennessee at Knoxville, Aug 2016 – Present
- Assistant Professor, School of Information Sciences, University of Tennessee at Knoxville, Aug 2010 – July 2016
- Visiting Professor, S.P. Jain Institute of Management and Research, Mumbai, India, 2012
- Adjunct Faculty, College of Computing and Informatics, University at Albany, State University of New York, 2007-10
- Research Associate, United Nations Department of Economic and Social Affairs, 2008-09
- Adjunct Faculty, School of Business, University at Albany, State University of New York, 2007-09
- IT Consultant, School of Business, University at Albany, State University of New York, 2007-09
- Research Assistant, United Nations Public Administration Network, New York, 2007
- Intern, New York State Defenders Association, Albany, New York, 2007
- IT Analyst, Legal Division, Governor's Office of Employee Relations, State of New York, 2007
- Graduate Assistant, Office of Research, University at Albany, State University of New York, 2005-06
- Intern, Asian and Pacific Center for Technology Transfer, United Nations Economic and Social Commission, New Delhi, India, 2005
- Consultant, Center for Policy Research, Albany, New York, 2005
- Research Associate, Mechanical Engineering, University of Louisiana at Lafayette, 2004
- Research Assistant, Center for Advanced Computer Studies, University of Louisiana at Lafayette, 2003
- Lecturer, S. S. Jondhale College of Engineering, University of Mumbai, India, 2001-02

Awards & Recognition

- C. W. (Bud) Minkel International/Intercultural Research Award, \$250, College of Communication and Information, University of Tennessee at Knoxville, October 2019
- Associate Professor Devendra Potnis to be recognized by CCI for International Work, August 2019 [Link](#)
- Bonnie Carroll and Roy Cooper Faculty Award, \$1500, School of Information Sciences, University of Tennessee at Knoxville, May 2019 [Link](#)
- Finalist, 2019 Best Short Research Paper Award, *iConference 2019*, Washington, DC [Link](#)
- Where Digital Literacy, Social Media, and Fighting Corruption Converge, Oct 2018 [Link](#)
- The Informed Librarian Online selected my research article on factors influencing undergraduate use of e-Books as the “Article of Interest” for October 2018 issue [Link](#)
- Selected for *Diplomacy Lab Program*, U.S. Department of State and U.S. Embassy Nairobi, Kenya. Project title: Digital Literacy and Good Governance, Spring 2018
- Three Professors Selected to Participate in Diplomacy Lab Program, Law and Politics section, University of Tennessee News, November 2017 [Link](#)
- Selected for *Diplomacy Lab Program*, U.S. Department of State and U.S. Embassy Cotonou, Benin. Project title: Leveraging the Use of WhatsApp to Spread the U.S. Message, Spring 2017 [Link](#)
- The Informed Librarian Online selected my research article on developing mobile apps for libraries as the “Article of Interest” for November 2016 issue [Link](#)
- Global Health Hub published news article on my research: “8 Economic Barriers Responsible for India’s Gender Digital Divide” – ICTworks shared this same news with its 8,000 email subscribers in ICT4D area on January 27, 2016 [Link](#)
- Gloria and Dave Sharrar Research Fellow, Research Award of \$5,000, University of Tennessee, May 2015
- One of 17 faculty selected by the University of Tennessee to attend National Institutes of Health’s Bi-annual Regional Seminar, Baltimore, MD, May 6-8, 2015
- Two research articles assigned as required reading by Stockholm University, Sweden for an online business management course – *e-Business for Developing Countries*, 2014
- One of 14 faculty selected for the University of Tennessee’s Office of Research & Engagement’s Summer Grant Writing Institute, University of Tennessee at Knoxville, 2014 [Link](#)
- Awarded full membership by The International Federation for Information Processing Working Group on the Social Implications of Computers in Developing Countries (IFIP WG 9.4). IFIP represents IT societies from 56 countries, and links more than 3,500 scientists, 2014
- Nominated for “Best Teaching Award” by the School of Information Sciences, University of Tennessee at Knoxville, 2013
- Research article assigned as required reading by the Robinson College of Business at Georgia State University, Atlanta, for *CIS 8050 Business Communications and Networks*, a core course in their Master of Science in Information Systems Program, 2013
- Mobilizing power: Potnis studies what happens when the world’s poorest women own phones. *Scoop Magazine*, Fall 2012 issue [Link](#)
- Junior Faculty Consortium Fellow, International Conference on Information Systems, December 16-19, 2012 [Link](#)
- “Scholar of the Week” awarded by the Office of Research, University of Tennessee at Knoxville, September 23-30, 2012 [Link](#)
- Bonnie Carroll and Roy Cooper Faculty Enrichment Award, \$500, School of Information Sciences, University of Tennessee at Knoxville, May 2012 [Link](#)
- Research article recognized as “Featured Online Article” by IEEE Technology & Society, 2011
- Selected for Doctoral Colloquium, *iConference 2009*, University of North Carolina, Chapel Hill, February 2009
- iGov Research Institute Fellow, Tuition Fees Waiver Award sponsored by the National Science Foundation, Microsoft & the University of Washington, June 20-28, 2009 [Link](#)
- Best Poster Award, 4th New Trends in Informatics Research Conference, University at Albany, State University of New York, 2009 [Link](#)

- Selected for the “Advanced Post-Graduation Diploma in Software Technology” by the National Center for Software Technology, Mumbai, India, 2001 [70 out of 8,500 computer engineers were selected through an all-India entrance examination]
- “Youngest Astrologer in India,” Maharashtra Jyotish Sanshodhan Mandal – Felicitated by Mayor of Pune City, India, 2001 [Completed 4-year training in astrology & palmistry]
- Held 19th rank among 1.1 million students in the S.S.C. (10th Grade) Examination, India, 1995
 - Maharashtra State Scholarship for Three Consecutive Academic Years, India, 1989-92

Research Publications

Articles in Refereed Journals

- Potnis, D., Gaur, A., & Singh, J. (In Press) *Analysing slow growth of mobile money market in India using a market separation perspective*. [Acceptance Rate: 20%] [Impact Factor: 1.493] [Link](#)

- Potnis, D. (2017). *School librarians and larger field of library and information science*. Old Dominion University, Norfolk, VA. (Invited)
- Potnis, D. (2017, March). *Things I don't like about e-Books: LIS Graduate student perspective on barriers to using e-books*. First International Conference on Changing Landscape of Science and Technology Libraries, Indian Institute of Technology, Gandhinagar, India. (Invited)
- Zhu, X., Potnis, D., Deosthali, K., & McCusker, R. (2016, November). *E-books and young academic users: What do we know?* Charleston Conference, Charleston, SC.
- Potnis, D., Bao, X., & Fesmire, S. (2015, November). *E-book adoption by students across the world: A diffusion of innovation perspective*. Charleston Conference, Charleston, SC.
- Potnis*, D. (2015). *Overview of ICT for development research projects*. FHI360-USAID, Washington, D.C.
- Potnis*, D. (2015). *Project management for IT-driven development of disadvantaged communities in the developing world*. Contributed Presentation in the “Project Management I” session at the Annual Meeting of the Institute for Operations Research and the Management Sciences, Philadelphia, PA.
- Potnis, D., Cortez, C., & Allard, S. (2015). *Educating LIS students to serve as mobile technology consultants*. Poster presentation at the Centennial Celebration of the Association for Library & Information Science Education Conference, Chicago, IL. (Selected by Conference Poster Chair)
- Mohan, L. & Potnis*, D. (2014). *Real-time decisions to serve the unbanked poor in the developing world*. Invited presentation in the “Innovating in the Mobile World Using Analytics” session under “Business Model Innovation” track at the Annual Meeting of the Institute for Operations Research and the Management Sciences, San Francisco, CA. (Refereed)

- Mohan, L., Potnis, D., & Miesing, P. (2014). *Potential of analytics for scaling social enterprises*. 11th Annual Social Entrepreneurship Conference, Boston, MA. (Refereed)
- Potnis*, D. (2014). *Microfinance 101: Fundamental concepts, challenges, and opportunities*. Guest speaker series, Center for the Advanced Study of Communities and Information, College of Information Studies, University of Maryland at College Park, MD. (Invited)
- Potnis*, D. (2014). *Microfinance: Key concepts, challenges, innovative solutions, and opportunities for communication and information researchers*. 36th Annual Research Symposium, College of Communication and Information. (Reviewed by the College Research Planning Committee)
- Potnis*, D. (2013). Panelist for *ICT Solutions Day* held by ICT Unit. Transport, Water and ICT, Sustainable Development Network, World Bank, Washington D.C. (Invited)
- Potnis*, D. (2013). *IT to create value for small businesses, microfinance, & society*. Coles College of Business, Kennesaw State University, GA. (Invited)
- Potnis*, D. (2012). Panelist for a plenary on *Women and ICTs: Access and empowerment*. Sixth International Conference on Theory and Practice of Electronic Governance, Albany, NY. (Invited)
- Potnis*, D. (2012). *IT research to create value for small businesses, microfinance, & society*. School of Business and Economics, Winston-Salem State University, NC. (Invited)
- Potnis*, D. (2011). *Marital status of female cell phone users: Criterion for distinct information behavior in a developing nation context*. Poster presentation at the Association for Library & Information Science Education Annual Conference, San Diego, CA.
- Potnis*, D. (2010). *The role of cell phones in shaping the information behavior of disadvantaged women from rural India*. Finalist for the Doctoral Dissertation Research Poster Competition at the Association for Library and Information Science Education Annual Conference, Boston, MA.
- Potnis*, D. (April 9, 2010). *Change in information behavior: A bridge between access to ICTs and socioeconomic opportunities*. 5th New Trends in Informatics Research Conference, Albany, NY.
- Pardo, T., Fawzi, M., & Potnis, D. (2009). *e-Government, PPPs, and implementation of the MDGs: A preliminary research review*. Paper presented at the e-Government and Public Private Partnerships (PPPs) for Better Public Service Delivery and MDGs Implementation Workshop held by the United Nations Department of Economic and Social Affairs in cooperation with International Telecommunication Union, Geneva, Switzerland. (Invited)
- Potnis*, D., & Deosthali, K. (2009). *Competing with time? Teaching summer sessions*. SKILL Conference, Institute for Teaching, Learning and Academic Leadership, State University of New York, University at Albany, NY. (Refereed)
- Potnis, D. (2009, February). *Folksonomies: Organization of user information for the users, by the users in the flat world*. iSociety: research, education, engagement, iConference 2009, Chapel Hill, NC.
- Potnis*, D. (2008). *Innovation management measurement and e-government*. Presented to the United Nations Knowledge Management Committee, UN Headquarters, NY. (Invited)
- Potnis*, D. (2007). *Learning objectives of e-government*. 2nd New Trends in Informatics Research Conference, State University of New York, University at Albany, NY.

*: Presented by Devendra Potnis

Technical Reports

- Potnis, D. & Allard, S. (2018, August). *Mobile Information Skills and Solutions in Library Education (MISSILE)*. Final report for planning grant, award number: RE-22-160038-16. Institute of Museum and Library Services, Washington D.C.
- Potnis, D. (2018, January). *A channel for public libraries to partner with governments for financial inclusion in the developing world*. Final project report for Financial Information Literacy Toolkit to Educate boRrowers (FILTER)., OCLC/ALISE Library and Information Science Research Grant Program, Dublin, OH.

- Potnis, D. & Allard, S. (2017, August). *Mobile Information Skills and Solutions in Library Education (MISSILE)*. Interim Report for Planning Grant, Award Number: RE-22-160038-16. Institute of Museum and Library Services, Washington D.C.
- United Nations Department of Economic and Social Affairs (UNDESA), Division for Public Administration and Development Management, "Compendium of ICT Applications on Electronic Government, Volume 1: Mobile Applications on Health and Learning," 2007. [Link](#)

Under Review

- Potnis, D. & Gala, B. *Best practices for conducting fieldwork with marginalized communities.*
- Potnis, D. & Gala, B. *Managing the "backend" of LIS research projects.*
- Potnis, D. & Mallery, K. *Bridging the divide in information service using assistive technologies: A service innovation perspective for benefitting disabled users.*
- Chengalur-Smith, I., Potnis, D., & Mishra, G. *Social mechanisms for bridging information divide among isolated marginalized communities of farmers in developing countries: An application of IBM's Spoken Web in rural India.*
- Potnis, D. & Gala, B. *Analyzing message forwarding behavior of mobile phone users: A study of electronic word-of-mouth as a process.*

Guest Lectures

- INSC 680 – Information Science Theory, College of Communication and Information, University of Tennessee at Knoxville [Doctoral Course]
 - Spring 2019 Use of Theories and Models
 - Spring 2017 Data Collection: Challenges, Solutions, and Lessons
 - Spring 2016 Information Behavior Research with Disadvantaged Communities

Grants

Funded

- May 2017 Dean's Summer Research Grant, College of Communication and Information, University of Tennessee at Knoxville, \$1,000
- Mar 2017 Travel Grant, Darden College of Education, Old Dominion University, VA, \$300
- Jan 2017 PI, Financial Information Literacy Toolkit to Educate boRrowers (FILTER): A Channel for Public Libraries to Partner with Governments for Financial Inclusion in the Developing World, OCLC/ALISE Library and Information Science Research Grant Program, \$30,634 (including cost share)
- Apr 2016 PI, Project MISSILE (Mobile Information Skills and Solutions in Library Education): Educating LIS Students to Serve as Mobile Technology Consultants for Libraries, Planning Grant, Institute of Museum and Library Services, \$40,353
- Apr 2016 Travel Grant, Center for Information and Communication Studies, University of Tennessee at Knoxville, \$500
- May 2015 Travel Grant, Office of Research & Engagement, University of Tennessee at Knoxville, \$750
- May 2013 Dean's Summer Research Grant, College of Communication and Information, University of Tennessee at Knoxville, \$2,000
- Mar 2013 Travel Grant, Coles College of Business, Kennesaw State University, GA, \$1,000
- Apr 2012 Travel Grant, School of Business and Economics, Winston-Salem State University, NC, \$500
- Fall 2011 Academic Mentor, SciData Grant, Institute of Museum and Library Services, \$546,472
- May 2011 Dean's Summer Research Grant, College of Communication and Information, University of Tennessee at Knoxville, \$2,000
- Feb 2010 Travel Grant, University at Albany Foundation, NY, \$600

- Feb 2009 Grant for a Doctoral Colloquium, iConference 2009, University of North Carolina, Chapel Hill, NC, \$500
- Jul 2007 Career Development Grant, Graduate Student Employment Union, University at Albany, State University of New York, \$600
- Jul 2006 Career Development Grant, Graduate Student Employment Union, University at Albany, State University of New York, \$600

Not Funded

- Feb 2018 Assessing the Effectiveness of Digital Security Methodologies and Interventions, Bureau of Democracy, Human Rights and Labor Internet Freedom Program: Funding Theme #2, Digital Safety, U.S. Department of State, \$538,634
- Feb 2018 Investigating Students' Interaction with e-Books and Use of Information in e-Books for Utilitarian Purposes: A Task-based Approach for Addressing Underutilization of e-Books Licensed by Libraries, Institute of Museum and Library Services, \$187,710
- May 2017 Building and Managing Financial Literacy Programs for Financially Marginalized Communities: Lessons for Public Libraries, Librarian and Research Knowledge Space, American Library Association's Diversity Research Grant, \$2,500
- May 2017 Factors Influencing Adoption and Continued Usage of e-Books by Library and Information Science Graduate Students: Implications for Libraries and e-Book Publishers, Summer Graduate Research Assistantship Fund, University of Tennessee at Knoxville, \$3,600
- Mar 2017 Testing Visual Math Mobile Apps with Children from Low-Income Latino Families at Kid Zone in Knox County Public Library, Community Engagement Incentives Grants, University of Tennessee at Knoxville, \$2,000
- Aug 2016 Pre-conference Emerging Technology Sessions (PETS) for Librarians, Institute of Museum and Library Services, \$245,040
- Jan 2016 Assessing the Effectiveness of Digital Security Methodologies and Interventions, US Department of State – Bureau of Democracy, Human Rights and Labor, \$590,757
- Sep 2015 A Practitioner's Guide for Libraries to Invest in Mobile Applications and Mobile Sites, Research Grant Pre-Proposal, Institute of Museum and Library Services, \$244,580
- Sept 2014 A Toolkit for Libraries to Assist Small Businesses (ATLAS), Early Career Grant Award, Institute of Museum and Library Services, \$398,000
- Oct 2013 Meta-Analysis of Research on Scientific (MARS) Data, Division of Information and Intelligent System, National Science Foundation, \$1,100,000
- Oct 2012 DeMoAidS: Demonstrate "Aid is working" for motivating the youth to Aid global philanthropy and Scale their effort rapidly, Bill and Melinda Gates Foundation, Grand Challenges in Global Health, Aid is Working. Tell the World, \$100,000

Professional Development Workshops (attended)

- Association of Library and Information Science Education (ALISE) Leadership Academy, Charleston, SC, Spring 2019
- 2nd Annual Advancing the Human Condition Symposium, Virginia Tech, Nov 2018
- Salesforce Social Studio Training Workshop offered by Salesforce.com, July 2016
- Annual Workshop for Potential Grant Applicants, Hosted by the U.S. Department of State, Bureau of Democracy, Human Rights, and Labor Office of Global Programs, Washington D.C., April 2016 (Invited)
- Grant Writing Institute, Office of Research & Engagement, May-June 2014
- Provalis Training for QDA Miner and WordStat Presented by Normand Peladeau, May 2013
- NSF CAREER Grants, Office of Research & Engagement, March 2013

- NSF CAREER and BRIDGE Awards, Office of Research & Engagement, March 2013
- Success with Proposal Development Team, Office of Research & Engagement, February 2013
- Building the NSF Grant Proposal, Office of Research & Engagement, February 2013
- Junior Faculty Consortium, International Conference on Information Systems, Orlando, Florida, December 2012 (Invited)

Teaching

University of Tennessee at Knoxville

- INSC 451 Information Management in Organizations [BSIS minor students] Spring 2018 - Present
- INSC 530 Information Access and Retrieval [MSIS students] Fall 2010 – Fall 2014
- INSC 542 Social Informatics [MSIS, MPA, MA, & PhD students] Spring 2012 – Present
- INSC 550 Managing Information Organizations [MSIS students] Fall 2017 – Present
- INSC 580/585 Information Technologies [MSIS, MS, & MA students] Spring 2011 – Present
- INSC 590 Information and Communication Technologies for Development [MSIS students] – Spring 2011
- INSC 591 Independent Project/Research [MSIS students] – Supervisor and reviewer for...
 - *Linked Open Data and Data Visualization* by Bonnie Finn, Spring 2017
 - *Educating LIS Students to Serve as Mobile Technology Consultants* by Andy Tate, Summer 2015
 - *Handheld Computing Initiative: Exploring iPads as Clinical Decision Support Tools in a Residency Program* by Fatima MnCube-Barnes, Fall 2011
 - *Programming for Information Professionals* by Andria Lauria, Spring 2011
- INSC 594 Graduate Research Participation [MSIS students] – Supervisor and reviewer for...
 - *Digital Literacy and Good Governance: Diplomacy Lab Project # 1* by Hilary Jasmin, Spring 2018
 - *Digital Literacy and Good Governance: Diplomacy Lab Project # 2* by Lindsey McLennan, Spring 2018
 - *Leveraging the Use of WhatsApp to Spread the US Message: Diplomacy Lab Project # 1 with the US Department of State* by Jaime Cleek, Spring 2017
 - *Leveraging the Use of WhatsApp to Spread the US Message: Diplomacy Lab Project # 2 with the US Department of State* by Jeni Trimmer, Spring 2017
 - *Information Forwarding Behavior of Student Mobile Phone Users* by Jeanie Smith, Fall 2016
 - *Factors Affecting Deployment of Cloud Services by Libraries* by Dwight Hunter, Fall 2015
 - *Studying Adoption of e-Books by Academic Libraries: A Diffusion of Innovation Approach* by Sarah Fesmire, Fall 2014
 - *Factors Influencing Adoption of e-Books by Students* by David Elliott, Summer 2014
 - *e-Textbooks for Students: A Qualitative Study* by Janine Pino, Summer 2014
- e-Portfolio Chair & Committee Member
 - School of Information Sciences, Fall 2013 – Present
 - Summer 2019: Ethan Graham Roeder
 - Spring 2019: Jordan Welborn (Chair), Wendy Day (Chair), Kelsey Collins, Heather Back, and Harley Williams
 - Fall 2018: Olivia Forehand, Amy Carlson, and Chris Barrett (Chair)
 - Summer 2018: Jasmin Hilary (Chair)
 - Spring 2018: Misty Perry and Joann Irby
 - Spring 2017: Jennifer Carlton and Nick Guernsey
 - Fall 2016: Lauren McCoy
 - Spring 2015: Allison Olmstead (Chair), Erin Upshaw (Chair), Matthew Thompson (Chair)
 - Fall 2013: Nicole Barajas (Chair)
 - Educational Psychology & Counselling, Joy Smith (Fall 2011)
- Doctoral Dissertation Committees

- Chair
 - *Investigating the Role of Situated Learning in Disabled Students' Information Literacy Skills Development: A Mixed Methods Intervention* by Kevin Mallary, Spring 2018 – Present
- Member
 - *Perceptions of Cyberbullying of Images on Social Media: Perspectives from Young Adults* by Li-Min Huang, Summer 2018 – Present
 - *Library and Computing Services Mergers in Higher Education: Successes and Failures* by Regina Beach-Bertin, College of Communication and Information, Spring 2018 – Present
 - *Teen Information Sources: Source Horizons, Relative Importance, and Relationship to Suicidal Ideation in Latina Teens* by Ivonne Ramirez, College of Communication and Information, Summer 2017 – Present
 - *Parenting Strategies and Online Information Networks on Social Media* by Macy Halladay, College of Education, Health, & Human Sciences, Spring 2017 – Present
 - *Knowledge Sharing Assessment and Retention Assessment (KSARA) Gauging Tool for Small Businesses: A Narrative Analysis* by Judy Li, College of Communication and Information, Fall 2016 – Fall 2018
 - *Role of Social Media in Bridging Information Gap Between Citizens and Scientific Community: An Analysis of User Perceptions of NASA's Space Mission Videos on YouTube* by Priyanki Sinha, College of Communication and Information, Fall 2012 – Fall 2017
- Advisor of First Year Doctoral Students, College of Communication and Information
 - Joseph Winberry, Fall 2019 – Summer 2020
 - Kevin Mallary, Fall 2017 – Summer 2018

University at Albany, State University of New York

- BITM 330 Business Information Systems and Technologies [BBA students] Summer 2007, Summer 2008
- BITM 331 Business Applications Development [BBA students] Summer 2008, Summer 2009
- IIST 423/IINF 423 Networking Essentials [BS students] Fall 2007 – Spring 2010
- ITM 520 Database Management [Evening MBA students] Summer 2009

International

- PGDM-IM2011-13 Mobile Internet Technologies and Applications for 21st Century Businesses [Full-time MBA students] Summer 2012
- C and C++ Programming [BE students] Fall 2001 and Spring 2002

Service & Leadership

Professional Activities

- Associate Editor, *IIM Kozhikode Society & Management Review*, Sage Publishing, 2019 – Present
- Editorial Board Member, 2013 – Present
 - *International Journal of Technology Diffusion*, IGI-Global Publications
 - *International Journal of Information and Communication Technologies and Human Development*, IGI-Global Publications
- Member, Pratt-Severn Faculty Innovation Award, Association for Library and Information Science Education Committee, 2019-2020
- Member, International Relations Committee, Association for Information Science and Technology, 2018-19
- Chair, International Paper Contest, Special Interest Group on International Information Issues, Association for Information Science and Technology, 2017-19

- Jury Member, International Paper Contest, Special Interest Group on International Information Issues, Association for Information Science and Technology, 2016-2017
- InfoShare Officer, Special Interest Group on International Information Issues, Association for Information Science and Technology (previously known as American Society for Information Science and Technology), 2010-2014
- Leadership Roles at Conferences
 - Program Committee Member
 - 2020 International Workshop on Domain-driven Data Mining, Cincinnati, OH, May 7-9, 2020.
 - iConference 2020, Borås, Sweden, March 23-26, 2020.
 - 82nd Association for Information Science and Technology Annual Meeting, Melbourne, Australia, October 19-23, 2019.
 - Association for Library and Information Science Education 2019 Conference, Knoxville, TN, September 24-26, 2019.
 - International Conference on Global Health & Medical Tourism, Indian Institute of Management at Kozhikode, March 7-9, 2019.
 - 12th International Conference on Theory and Practice of Electronic Governance, Melbourne, Australia, February 20-22, 2019.
 - 81st Association for Information Science and Technology Annual Meeting, Vancouver, Canada, November 10-14, 2018.
 - 3rd International Conference on Digital Transformation & Global Society, St. Petersburg, Russia, May 30-June 1, 2018.
 - 11th International Conference on Theory and Practice of Electronic Governance, Galway, Ireland, April 4-6, 2018.
 - Special Indian Publication, 10th International Conference on Theory and Practice of Electronic Governance, New Delhi, India, March 7-10, 2017.
 - Mobile Communication for Development 2014 Conference, Dakar, Senegal, April 8-9, 2014.
 - 2nd International Conference on e-Government in Cairo, Egypt, December 1-4, 2008.
 - Symposium Planning Committee, Special Interest Group USE, 81st Association for Information Science and Technology Annual Meeting, Vancouver, Canada, November 10-14, 2018.
 - Session Chair, Interdisciplinary Approach and Professional Development, Association of Library and Information Science Education 2018 Conference, Denver, Colorado.
 - Session Chair, Social Media Session, 2017 Annual Meeting of the Association for Information Science & Technology, Crystal City, Virginia.
 - Chair, Minitrack titled “Managing ICT for Development Field Research: Challenges, Opportunities, & Solutions,” “ICTs for Global Development” Track at the 23rd Americas Conference on Information Systems, Boston, MA, August 10-12, 2017.
 - Moderator, School Library Media and Librarian Education Session, Association for Library & Information Science Education Annual Conference, Boston, MA, January 5-8, 2016.
 - Chair, Minitrack titled “Managing ICT4D Field Research in the Developing World: Challenges, Opportunities, & Innovative Solutions,” “ICTs for Global Development” Track at the 22nd Americas Conference on Information Systems, San Diego, California, August 11-13, 2016.
 - Co-chair, Minitrack titled “ICTs for Financial Inclusion of the Unbanked Poor in Developing Economies,” “ICTs for Global Development” Track at the 20th Americas Conference on Information Systems, Savannah, Georgia, August 7-10, 2014.
 - Assistant Organizer, 25th International Conference on Systems Dynamics in Boston, Massachusetts, organized by Systems Dynamics Society, July 29-August 2, 2007
 - Judge and Panel Member, Jean Tague-Sutcliffe Doctoral Student Poster Competition, Association for Library & Information Science Education Annual Conference
 - Boston, MA, January 5-8, 2016
 - Philadelphia, PA, January 21-24, 2014

- Member, Association for Information Science and Technology (previously known as American Society for Information Science and Technology) Strategic Planning Focus Group, 2014.
- Council of Research Grant Proposal Evaluators, Deanship of Scientific Research, King Fahd University of Petroleum & Minerals, Saudi Arabia (Invited), October 2016.
- Participant, Online Chat: Financial Inclusion in India, Consultative Group to Assist the Poor, World Bank, January 28, 2015.
