Education

- Diversity, Equity, and Inclusion Certificate, 2023
School of Industrial and Labor Relations, Cornell University, Ithaca, NY
- PhD in Information Science, 2006 – 2010
College of Computing & Information (now College of Emergency Preparedness, Homeland Security, and Cybersecurity), University at Albany, State University of New York (SUNY)
Advisor: Theresa Pardo, Associate Vice President for Research, University at Albany, SUNY
- Master of Public Administration, 2004 – 2006
Rockefeller College of Public Affairs & Policy, University at Albany, SUNY
- Master of Science in Computer Science, 2002 – 2003
Center for Advanced Computer Studies, University of Louisiana at Lafayette
- Bachelor of Engineering in Computer Engineering, 1997 – 2001
University of Mumbai, India

Employment

- SIS, UTK
 - Professor, Aug 2023 – Present
 - Associate Professor, Aug 2016 – July 2023
 - Assistant Professor, Aug 2010 – July 2016
- Visiting Professor, S.P. Jain Institute of Management and Research, Mumbai, India, 2012
- Adjunct Faculty, College of Computing and Informatics, University at Albany, SUNY, 2007-10
- Adjunct Faculty, School of Business, University at Albany, SUNY, 2007-09
- IT Consultant, School of Business, University at Albany, SUNY, 2007-09
- Teaching Assistant, College of Computing and Informatics, University at Albany, SUNY, 2006
- Graduate Assistant, Office of Research, University at Albany, SUNY, 2005-06
- Research Assistant, Center for Advanced Computer Studies, University of Louisiana at Lafayette, 2003
- Lecturer, S. S. Jondhale College of Engineering, University of Mumbai, India, 2001-02

Research Highlights

- Research agenda: *My information and communication technologies for development (ICT4D)* research focuses on the causes and consequences of accessing and using information and communication technologies and information by vulnerable individuals, communities, organizations, and governments worldwide. See <https://sis.utk.edu/dp/ict4d>.
- My research agenda maps onto the following four of the 17 United Nations [Sustainable Development Goals](#) (SDGs) and informs policymakers to achieve them.
 - SDG 1: *No poverty*
 - SDG 3: *Good health and well-being*
 - SDG 5: *Gender equality*
 - SDG 10: *Reduced inequalities*
- Theoretical contribution to information science research: <https://sis.utk.edu/dp/contributions-2>
- Sample benefits created by my research: <https://sis.utk.edu/dp/benefits>.
- I have collaborated with 74 master's and doctoral students, postdocs, professors, and practitioners from 24 countries, which illustrates my global professional network. See <https://sis.utk.edu/dp/collaborators>
