Students who already have an American Library Association-accredited MLS or MSIS degree must have their transcripts evaluated, and then will complete up to 24 hours including INSC 511, 512, 514, and 595 (if no course equivalents replaced them). In addition, they must take Ed Psych 401, and Special Ed 402 (if no course equivalents replaced them).

* This course should be taken as the last class before your student teaching semester.

** This is a culminating course and should be taken on its own in the final semester prior to graduation.

*** These two undergraduate courses offered by the UTK College of Education, Health and Human Services (CEHHS) may be transferred in from a four-year regionally accredited institution, however permission to do this must be received *in advance* from CEHHS. Contact Dr. Welch at cwelch11@utk.edu for more information.

Note: Up to 9 hours of electives can be from outside of CCI, but only 6 hours of electives can be from outside of UTK.

Keep in mind re coursework - 1

- ▶ Advising sheets are in *numerical order, not the order you take the classes*
- ▶ 551 - taken right before practicum for initial licensure
 - ▶ 596 (already licensed) can take it concurrently
 - ▶ JEP take it as soon as it makes sense
- ▶ 59X - always your final semester(s)
 - ▶ JEP's final two semesters, take along with other classes
 - ▶ 596 - final semester, can take other classes as well
 - ▶ 595 - taken on its own, no other classes!

Keep in mind re coursework - 2

- ▶ Some classes are only ever offered once a year, or may be offered only in certain semesters, e.g. (but not limited to!):
 - ▶ 572 - only ever in summers
 - ▶ 551 - only ever in fall
 - ▶ 577 - every other summer
- ▶ Watch for prerequisites
 - ▶ 551 - take everything else first, taken in last or next-to-last semester
 - ▶ 573 - 571 and 572 are prerequisites
- ▶ *That's why it's important to complete an updated advising sheet every semester and email it to Dr. W, whether you need to consult on a question or not*
- ▶ *Don't wait to register; classes will fill and it may impact your ending date!*

Web tour

59X: Practica

- ▶ 595 - Student Teaching
 - ▶ For initial license
 - ▶ Full immersion, all day, all week, all semester, 3 placements (elem, ms, hs)
 - ▶ All this plus coursework

- ▶ 596 - Fieldwork Experience in School Libraries
 - ▶ For those already licensed
 - ▶ 100 clock hours in school libraries - NOT in your school
 - ▶ 3 placements (elem, ms, hs)

- ▶ JEP - Job-Embedded Program
 - ▶ Only available for initial license
 - ▶ Hired as school librarian, plus coursework, 1 placement

How do I get into my placements?

- ▶ Knox County
 - ▶ Partnership agreement in place?
 - ▶ Feel free to talk to school librarians BUT you work through me to get placed
 - ▶ Extra application/registration step

- ▶ Everywhere else (in the United States)
 - ▶ Partnership agreement in place?
 - ▶ Contact Central Office (or HR) and ask about their procedures
 - ▶ You find your own placements
 - ▶ They may require documentation from me, just let me know what you need and where to send it

Practicum FAQ - except JEPs

- ▶ When do I do this?
 - ▶ Start looking for placements at any time, and start nailing them down at the beginning of the semester before you need them
 - ▶ If you don't know where to start, ask people about the schools in their area; use the TN State Report Cards on schools
- ▶ What do I say?
 - ▶ "I'm a school library student and I am interested in working with school librarians in your district/school. What do I need to do?"
- ▶ What if they need something from UT?
 - ▶ I'm standing by, let me know what they need and where (and who) to send it (to)

JEP: Job-Embedded Program

- ▶ Only available to initial licensure people
- ▶ You are hired/paid as a full-time school librarian, you do the job plus coursework, plus exams; you're evaluated just like everyone else in the school (plus coursework and exams) ... it's a tough road, so think carefully about applying
- ▶ You need to have completed a minimum of 18-21 hours in our program
 - ▶ You'll do 596-JEP 2 semesters to meet the 10-month minimum internship requirement
- ▶ You apply for jobs, they offer you a job, this starts the process
- ▶ Must apply to CEHHS for their job-embedded program (in addition to the teacher prep prog)
 - ▶ They will come to me for a recommendation. Remember that in all your courses you're creating an impression; *be someone I can recommend!*

CEHHS Teacher Prep Program - yes, this is new.

- ▶ Academic content comes from SIS but *licensure comes through* CEHHS, so you must be accepted into their teacher preparation program
- ▶ When - apply on the [CEHHS web site](#) during your first semester in SIS
- ▶ What - application, fingerprinting, background check, ProCADS, and (eventually) the admissions interview
- ▶ Where - details are on the [CEHHS web site](#),
 - ▶ Note that some of their requirements do not apply to you: the initial transcript review and advising appointment are already done through me. Ignore the interview dates, for now. If you have questions, email me.
- ▶ Admissions interview?
 - ▶ Yes, once you have completed application, fingerprinting, background check and ProCADS, I will be notified that you are ready for interview
 - ▶ 30-minute interview with me and two other school library professionals, scheduled as needed, both fall and spring (but not summers)

This is a LOT to remember !?!

... yes, yes it is. So ...

- ▶ Every semester during advising prior to registration, you send me an updated SLM-specific advising sheet and we can consult (if needed)
- ▶ This session is recorded and the slides and recording are available on the SIS web site
- ▶ Every fall there is a virtual advising session to update the info
- ▶ You can always email me with questions or concerns

Questions??
What do you need?
